# INVIGRAM®

Tamper evident film  
with invisible hologram

## Key advantages of INVIGRAM®:

- Clear, printable facestock material.
- Once tampered with, a bright hologram appears as evidence of manipulation.
- A built-in dry-peel effect with adjustable release force prevents counterfeiters from replacing the removed film and provides additional security.
- INVIGRAM® can be used even on delicate substrates like paper or cardboard.

For detailed information and samples of the tamper evident film INVIGRAM®, please get in touch with the HUECK FOLIEN team.
