

PAXAFE[®] CLEAR

TAMPER EVIDENT PAPER FACESTOCK

PAXAFE[®] clear is a facestock material for security labels based on paper, instead of film. Trying to remove the label, the hidden message appears and leaves a non-sticky footprint on the substrate.

Key benefit is that these security seals make it possible to recycle cardboard and paper packaging by type.

CHARACTERISTICS:

- Base material: 50 gsm transparent glassine FSC[®] paper
- Full area colour coating according to customer requirements
- Colour options: white and yellow, other colour options available on request
- Additional features: dry peel coating, printing can be personalized according to customer requirements

KEY ADVANTAGES:

- Improved recycling process due to paper basis of security label
- PAXAFE[®] based labels are produced on FSC[®] certified paper

For detailed information and samples of PAXAFE[®] clear, please get in touch with the HUECK FOLIEN team.
