

# Siltopp®

## Printable bright silver / white silver OPP

### Characteristics

- + Use of recycled aluminum
- + Sustainable base film available
- + Topcoat Eco20
- + PPWR: Monomaterial for easy disposal, downgauged film thickness, free of PFAS
- + Available on OPP 30 - 60 µm (1.18 – 2.36 mil)
- + Maximum width: 2,200 mm (87 ")
- + Surface finish: glossy
- + Characteristics: printable topcoat
- + Topcoat printability: conventional, digital or thermal transfer printing

### Key Advantages

- + Metal and topcoat can be located on the front side of the film to give an excellent metallic background for decorative labels
- + Combination of white base film and metallization improves opacity and enables double-sided printing
- + A range of printable topcoats is available for this product which offer perfect printing results
